

COPYRIGHT TRANSFER AND AUTHOR AGREEMENT FOR CLINICAL CASES IN MINERAL AND BONE METABOLISM

In consideration of the review and/or editing by CIC Edizioni Internazionali S.r.l. (the "Publisher") of the material submitted for publication in Clinical Cases in mineral and bone metabolism (the "Journal") entitled:

TITLE:

CORRESPONDING AUTHOR (NAME):

CONTACT INFORMATION:

AUTHORS (NAMES):

(the "Work") by the undersigned person (the "Corresponding Author") on behalf of all Authors, the Authors hereby agree as follows:

1. Authors hereby transfer, assign and otherwise convey to the Publisher all right, title and interest in the Work, including but not limited to any and all copyright(s) therein held by Authors, together with any rights of Authors to secure renewals, reissues and extensions of such copyright that may be secured under the laws now or hereafter in force and effect in Italy or in any other country, and any and all rights to bring any court or other action to obtain damages, or injunctive or other relief, in connection with any past, present or future infringement of such copyright(s) or other claim in connection therewith.

2. Authors hereby also grant permission to the Publisher to use such Authors' name and likeness in connection with any past, present or future promotional activity by the Publisher, including, but not limited to, promotions for upcoming issues or publications, circulation solicitations, advertising or other publications in connection with the Publisher.

3. Authors hereby warrants, represents and covenants that:

A. Work or any data within the Work submitted to the Journal is original, has been written by the stated Authors, and has not been published elsewhere. Likewise, a similar Work has not been submitted to or published by any other journal, by one or more Authors.

B. The Work is not currently being considered for publication by any other journal and will not be submitted for such review while under review by the Journal.

C. If there is any possibility, because of its content, that the Work might be construed as duplicating in whole or in part another actual or pending publication by one or more Authors, it is the Corresponding Author's responsibility to advise the Editors of the Journal of this possibility and fully disclose the particulars of this potential conflict for the purpose of determining the propriety of the Journal's reviewing the proposed submission.

D. The Work contains a statement to the effect that all human studies have been approved by the appropriate ethics committee and have therefore been performed in accordance with the ethical standards laid down in the 1964 Declaration of Helsinki. It is also stated clearly in the Work that all persons gave their informed consent prior to their inclusion in the study. Details that might disclose the identity of the subjects under study were omitted:

YES

NO

NOT APPLICABLE

E. The Work contains a statement to the effect that all animal studies have been approved by the appropriate ethics committee and have therefore been performed in compliance with animal welfare regulations:

YES

NO

NOT APPLICABLE

F. The Editors of the Journal reserve the right to reject manuscripts that do not comply with the above-mentioned requirements.

G. The Authors will be held responsible for false statements or failure to fulfill the above-mentioned requirements.

H. The Publisher will not be held legally responsible should there be any claims for compensation.

By signing this Agreement on behalf of all Authors, Corresponding Author represents and warrants that he/she has received written permission from each Author to sign this Agreement on his or her behalf and to grant the exclusive license herein.

Corresponding Author understands that he/she has the option of having each Author sign a separate copy of this Agreement by contacting the Editorial Office for a version of this Agreement to be signed by each Author and returned directly to the Editorial Office.
